COVERED

ALMA MATER

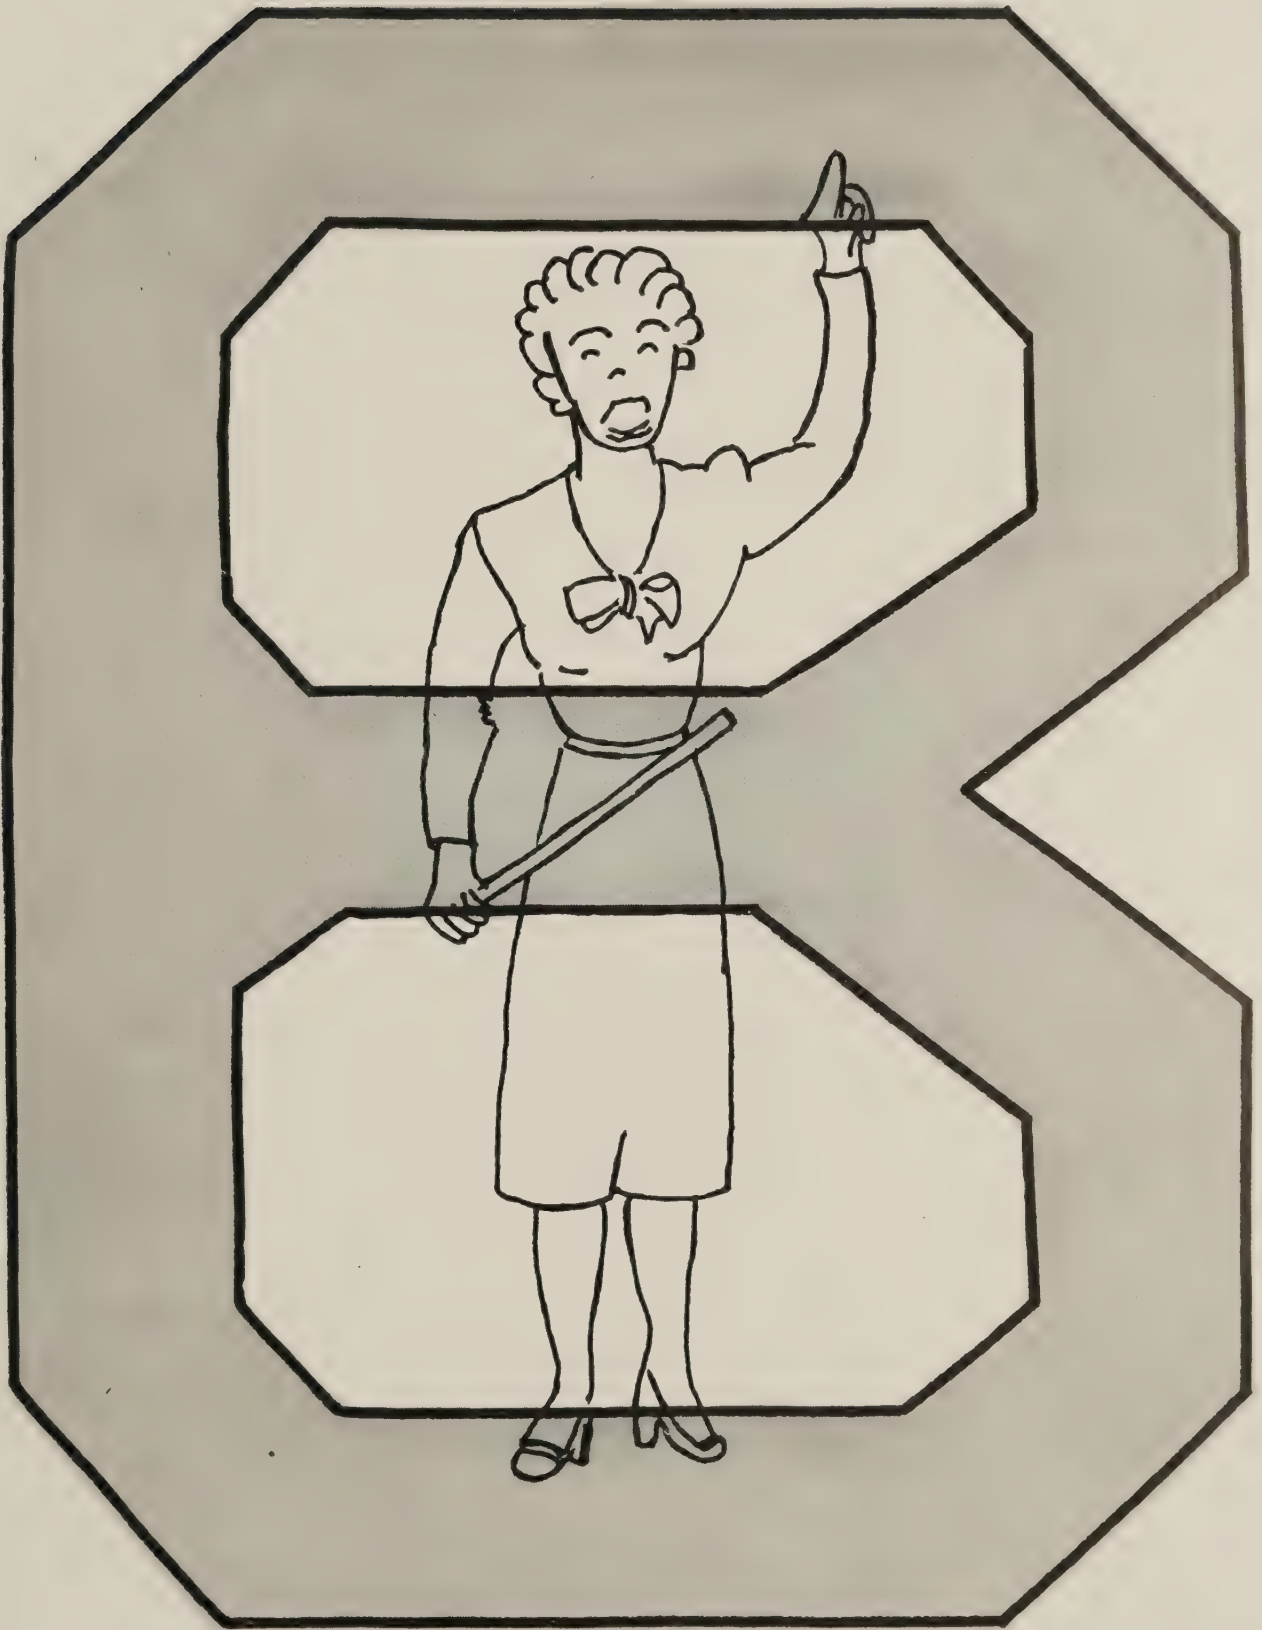

We, the annual staff of 1952, dedicate this issue of the Ivy
to our school. Not the building alone but all the classmates,
teachers, sports, clubs and studies that make up a living society.
Although you can never relive these four years, we hope that
this volume will serve as a treasure chest for your memories.

Presenting B H S

STADIUM

Wriggleworth Stadium holds a close second place to our High School building in the hearts of our students. It is one of the "high spots" of our campus. Here in the fall one hears the mighty cheers of football spectators. Spring brings with it baseball and all its enthusiastic supporters. Built in the late thirties, the stadium is the most familiar part of the school to the townspeople and is truly a credit to the hard working citizens and students who have made it great.

MRS. CARRIE LEE
Dietician

For many years, Mrs. Lee has served as the dietician of our school. Her well-planned supervision has made our cafeteria one of the best. Because of her kindness, many of the students have come to look upon Mrs. Lee almost as a second mother as well as an excellent cook.

Ramblings

By C. KITCHIN and A. HARRELSON

The Blackstone High School Ram's dropped their second straight game the Victoria Panthers 26-0. Since winning their first two games impressive scores the Rams have hit a trail of hard luck as injuries have been cropping up regularly and at this time it looks as though first string guards Irby and Elmore will be lost for the season. In their season opener under the lights at Wrigglesworth stadium the Rams picked on a weak Amella eleven to the tune of 46-0. The visitors, normally in the six man football bracket, were completely outclassed as the Rams rolled up 18 first downs to 3 for Amella. Perhaps the most unusual single play by the Red and White was Don Clarke's 40 yard punt return. Coach Bob Gill cleared the home team bench, but Amella was never able to penetrate farther than the Rams thirty yard line. Dave Bennett was high scorer as he ran for three touchdowns and scored four extra points.

Seniors To Present The Importance Of Being Earnest

The Senior Play being an annual affair was chosen by a committee appointed by the president of the Senior Class. The committee ran into a few difficulties in the matter of choosing a good play. Almost all of the ones of a high calibre which the committee had access to, had very few characters. It is the custom to give one with a large cast. But with the aid of Mrs. Jordan, the committee finally chose "The Importance of Being Earnest" by Oscar Wilde.

In the play the author does much to make fun of the English aristocracy of the 1890's. At times the story becomes very complicated but hilarious. In the end all the complications are straightened out.

Members of the cast will be as follows:

John Worthing— Bobby Irby
Algernon Moncrieff—Billy Long-

Changes Made During Summer At B. H. S.

As we came back to school this fall there were several changes that caught our eyes

One of the first to be noticed was that of the cafeteria. Instead of the long counter there is a smaller one. On it are steamers to keep the food warm. Now we get a plate and milk for twenty-five cents. There is a window, going into the kitchen where all dirty dishes, bottles and paper are put.

Upstairs the windows in the hall have been taken out and filled in. The auditorium has also been repainted.

"Ivy" Makes Progress

The "Ivy" is well under way with this year's staff working hard to give the school a "better annual". The staff is as follows:

Editor-Jane Daniel
Assistant Editor-Billy Longmire
Business Manager-Anne Jones
Ast. Business Manager-Corky Kitchin
Assistant Business Manager- Corky Kitchin.
Art Editor-Bob Carlson
Photographer- Geraldine Lucy
Typists- Sue Upson, Laura Rogers
Sponsor- Mr. Nolen

Our annual is being printed this year by the Dominion Publishing Company in Charlottesville. By working with this company the staff hopes to make a big improvement in the "Ivy".

The Annual staff is sponsoring a photography contest. The pictures entered must be of school views. To the person who turns in the best picture will go a free copy of the 1952 annual, so get out your cameras everyone and start shooting.

"Have you read the gossip?"
"Where do you get the Ram's Horn?"
"I didn't know it until I read it in the Ram's Horn."

Such are the words overheard in the halls and around school after our monthly paper arrives from the printing press.

We, of the Ram's Horn, strived to print the latest in news, gossips, and facts.

Cheer, cheer for old B. H. S.
We've got the spirit, we've got the zest.
Come on team and fight, fight, fight;
And we'll win this game for Blackstone tonight.
Oh, we never stagger, we never fall
Rah! Rah! for our team, we're best of all.
Ever raise the battle cry
And onward then to victory.

Smiling through onion tears
in the concession stand!

Our cheering seven yelling
to high heaven!

They call this pep, but it sure
looks like laziness to me!
